South Valley Sewer District

INDUSTRIAL WASTE SURVEY

Directions for Completing the Industrial Waste Survey Form

1. The South Valley Sewer District (SVSD) requires certain information from businesses that discharge wastewater to its collection system and treatment plant.

2. Answer all questions as completely as possible. If you do not know the answer to a question, write "Unknown" in the box. If an answer is not applicable to your facility, write "N/A".

3. Please sign and return the completed form to the SVSD. The form must be signed by an authorized representative of the business.

4. Failure to complete and submit the form is a violation of the SVSD Pretreatment Rules and Regulations.

5. Please type or print legibly.

6. If you have any questions, please contact the SVSD Pretreatment Department at: (385) 202-2777

Company Name (or dba): _____

Physical Street Address: Mailing Address (if different)

_____ _____

_____ _____

_____ _____

Authorized Representative's Name: _____

Title: _____

Phone number: _____

Email address: _____

List all Standard Industrial Classification (SIC) codes applicable to your business:

_____

_____

Describe the Company's business activities in detail (attach additional sheets as necessary):

_____

_____

_____

Type of Business (check all that apply):

	Manufacturing		Distribution/Warehouse		Retail Sales--Non-food
	Service		Office Only		Retail Sales--Food
	Medical		Fabrication		Other:

Identify by check mark below the processes and activities that take place at the business:

	Aircraft repair/ maintenance		Brewery
	Treating wastes from other businesses		Laundry
	Copper or aluminum forming		Dairy products manufacturing
	Dental services		Fertilizer manufacture
	Electrical component manufacturing		Firearms- bluing
	Grocery- retail with deli		Grocery- retail without deli
	Hospital		Medical (other than hospital)
	Leather tanning		Meat, vegetable or food processing (factory level, not restaurants)
	Trucked and hauled waste, including domestic septic tanks, sand traps, commercial or industrial		Metal finishing (including electroplating, electroless plating, anodizing, coloring, coating, acid rinse or acid cleaning prior to painting, chemical etching, etc.)
	Non-ferrous metals forming		Metal molding and casting
	Oil and gas refining/ extraction		Paint/ink manufacturing
	Painting of metal		Photographic/ x-ray developing
	Plastics manufacturing		Porcelain enameling
	Printing/ publishing		Restaurant or fast food establishment
	Retail sales only		Smelting/ metal refining
	Soap or detergent manufacture		Steam power generation
	Wood preserving		Transportation equipment cleaning
	Vehicle repair shop/garage		Warehouse

List the square footage of the facility or facilities: _____

_____

List principal products or services provided by the business: _____

_____

_____

Estimate the total wastewater discharged per month _____

Wastewater disposal methods (check all that apply):

	South Valley Sewer District		Hauled off-site		Septic tank, leach field
	Direct discharge to a ditch, river, etc.		Storm sewer		No wastewater generated
Other:					

Does the business use, produce, store any of the following materials?

Chemical	Yes	No	Discharged to sanitary sewer?	Where discharged if not to sanitary sewer?
Antifreeze/ glycol compounds				
Petroleum grease/ oils				
Vegetable grease/ oils				
Acids/ corrosives				
Food wastes				
Solvents (incl. cleaning solvents)				
Flammables/ Explosives				
Pesticides/ Herbicides				
Phenols				
Cyanides				
Metals/ metal solutions				
Nitrogen containing compounds				
Organic chemicals				
Hazardous wastes				
Radioactive isotopes				
Trucked or hauled wastes				
High temperature wastes				
Sulfides or hydrogen sulfide (H_2S) generating wastes				
High total dissolved solids (TDS)				

Is your wastewater treated prior to discharge? _____ YES _____ NO

If so, what treatment does it receive?

	pH neutralization		Oil, Grease separation (trap or interceptor)		Oil/ water separator
	Sedimentation		Filtering		Metals treatment
	Flow equalization		Other:		

Are there any floor drains in the work areas? _____ YES _____ NO

HAZARDOUS WASTE DISCHARGE REPORTING NOTIFICATION

This notification is intended to inform your business of their obligations under Section R317-8-8-11(14)d. of the State of Utah Water Quality Regulations. These requirements are for the reporting of discharges of hazardous waste to the sanitary sewer system.

The User shall notify the SVSD, the EPA Regional Waste Management Division Director, and State hazardous waste authorities in writing of any discharge into the sanitary sewer system of a substance, which, if otherwise disposed of, would be a hazardous waste under 40 CFR Part 261.

Such notification must include the name of the hazardous waste as set forth in 40 CFR Part 261, the EPA hazardous waste number, and the type of discharge (continuous, batch, or other). The SVSD is requiring this notification for a discharge of hazardous waste to the sanitary sewer system and the report shall be made immediately upon learning of the discharge.

The Authorized Representative for the Company shall sign this survey and return to:

Pretreatment Coordinator
South Valley Sewer District
Po Box 629
Riverton, Utah 84065

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based upon my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and/or imprisonment for knowing violations."
